### Smart Blocks on BBOF

Dear EPEX SPOT data user,

We wish to announce that specific smart blocks fields have been added to BBOF File (available on FTP only) from delivery date 22 February 2014 and BBOF csv files have been regenerated from NWE Start.

As a reminder the two new types of block bids are:

- linked blocks
- exclusive block groups

They are tradable on all EPEX SPOT Day-Ahead Markets (**FR, DE/AT, CH**).

Please find the documentation for these new Smart Blocks and BBOF file under the following link [http://www.epexspot.com/en/extras/download-center/technical\\_documentation](http://www.epexspot.com/en/extras/download-center/technical_documentation) :

- General presentation on Smart Block orders
- Technical documentation on Smart Block orders
- Frequently Asked Questions Factsheet

If you have any questions please do not hesitate to contact us.
