CHANGES IN DATA PUBLICATION ON THE WEBSITES AND SFTP SERVER

As of the trading system migration from Eurolight to ETS planned on 24th January, there will be several changes with regards to the publications on the APX and Belpex websites and SFTP server.

This is a first step to align the publications on the EPEX SPOT markets.

As of 24 January 2017 BBOF files will be made available for BE and NL areas on the APX SFTP

BBOF files content and location on the server.

Definition: BBOF refers to auction block bid files. Data is published on a daily basis every day of the year (around 01:00 PM CET (Winter) and 01.00 CEST i(Summer))

SFTP files Location: /APX Power NL/Day Ahead Market/Block bids
/Belpex/Day Ahead Market/Block bids

Content: Sample files for BE and NL as well as the description of the BBOF files are attached to this communication.

Text files for NL and BE DAM Historical data will no longer be available as of 24 January 2017- Data will have to be retrieved from xls files
